ISBN-10: 097263830X

ISBN-13: 978-0972638302

Product Dimensions: 10.8 x 8.3 x 0.4 inches

Shipping Weight: 1.4 pounds

Average Customer Review: 5.0 out of 5 stars [See all reviews](#) (3 customer reviews)

Best Sellers Rank: #2,398,064 in Books (See Top 100 in Books) #46 in [Books > Crafts, Hobbies & Home > Antiques & Collectibles > Firearms & Weapons > Ammo & Grenades](#) #728 in [Books > Crafts, Hobbies & Home > Antiques & Collectibles > Firearms & Weapons > Firearms](#) #5212 in [Books > Reference > Encyclopedias & Subject Guides > Antiques & Collectibles](#)

## Customer Reviews

This book is what appears to be a compilation of SHOOT MAGAZINE's different articles. It is all black and white with the exception of a few full page inside cover ads. Material is similar to "GUNS of the Old West" Magazine, but the articles (chapters) are more in depth and has more about actual shooting experiences than just reviews of various guns. Also includes some black powder cartridge reloading info, which seems very hard to come by if you don't shoot long range rifle matches. Normally I am hesitant to buy magazine compilation "books", but the quality and variety of info in this book make it well worth even the full cover price. GREAT book for those getting into black powder shooting - especially those interested in Cowboy Action type shooting. People who enjoy reading about "old west" guns and related history will find it a good read as well. It may be slightly less useful to those solely interested in long range single shot black powder range matches, as there are better sources for that type of info.

Excellent book on early guns on the frontier

Great product and a great vendor
