Customer Reviews

Good resource guide for Pokemon GO.. Very pleased I went ahead and read this one before getting too sucked into the game.. Helped me out and saved me a bunch of time. Great resource. Very well done. Definitely worth getting!

If you are looking to improve your game or learning to play this is a good book. Short, clear, grouped explanations. I am level 11 and just read I can grab the balls that miss. This book IS NOT a

Pokedex. This book does NOT explain the different has. Free read if you have Prime but worth the buy if you do not. Read in less than 30 minutes and save hours and shopping money. What to do with all the duplicates, when to evolve, should we buy incubators and LOTS more. This book is a good catch!

Nice little guide for complete beginners. It teaches you, what type of pokemon it is better to choose, where and when to find different types of pokemons, how to get more points and much more. I really liked how easy was to read this book. I would have liked more strategies, but I understand that this game is pretty new, so will be waiting for this book to be updated.

As most people, I started to play Pokemon GO with no further knowledge about, just wanted to see what it is all about. But this particular guide filled in some gaps that I didn't know before. Many great tips & tricks on how to be better at this game. Also, it is well-written and organised, as well as, easy to follow.

This is a good guide for people like me who is just new to this game and do not know how to play it yet. Pokemon Go is really addicting once you start playing and at the same time you didn't notice that you are also exercising because you are catching Pokemon.

A very easy to read guide on how to get the best out of your gaming experience . Highly recommended!

I love how you told us a lot of tips and hacks. When you told us how to get a pikachu in the beginning I did that right away because thy are hard to find. Everyone read thi book

Good overview, make sure to take note of how to start with Pikachu! I really wish I had known about that earlier.
