## Customer Reviews

THE AUTHOR DIDN'T PUT VERY MUCH EFFORT INTO WRITING THIS BOOK. HE SURE DIDN'T DO MUCH "HOMEWORK" ON WRITING AND SHOWING HER DISCOGRAPHY. A PERSON WHO WRITES HER SHOULD DO HIS "HOMEWORK" BEFORE GETTING A BOOK DEAL TO BE ABLE TO WRITE ABOUT OLIVIA. THANK YOU.

This very easily read book about singer/actress Olivia Newton-John reveals us about everything we need to know about Olivia. It starts with a not so complete, yet very well written biography. The book also includes her discography and a picture of every single album-cover. All the movies the actress has been in are reviewed and many of the albums and videos too. There is also a list of TV appearances, of radio shows and full listing of appearances in magazines throughout the years. A nice tribute to a woman who's indeed much more than PHYSICAL.

Nice book of ONJ. I am always a fan of her since the 70's and believe she is one of the greatest singers of all time.

This book is okay for the serious fan. It has inaccuracies and the photo quality is generally poor. No input from Olivia herself. The quotes from Olivia are the best, although you can find all these from magazine articles and only Olivia fan site.
