# InDesign CC: Visual QuickStart Guide

Synopsis

InDesign CC: Visual QuickStart Guide is your complete guide to the core functions of InDesign as well as all the important new features. New to this edition is author Sandee Cohenâ ™s brilliant inclusion of scannable QR codes providing readers with a service that connects you via the Internet directly and conveniently to specifically created video lessons. These videos and tutorials allow you to hear and see Sandee explain InDesignâ ™s powerful capabilities clearly and completely. They enhance and enrich the experience taking your learning to a whole new level.Â   Complete coverage of InDesign CC's new features includes: updated tools for a variety of output formats; the new QR code generator, to easily allow linking to online content; and Font Favorites, to make it easy to customize workspaces. Users will learn how to create and automate documents, import and style text and objects, manage long documents, export files for a wide variety of purposes, and much more.

Best Sellers Rank: #716,625 Paid in Kindle Store (See Top 100 Paid in Kindle Store)   #61 inÂ Kindle Store > Kindle eBooks > Arts & Photography > Graphic Design > Typography   #83 inÂ Books > Computers & Technology > Digital Audio, Video & Photography > Adobe > Adobe InDesign   #469 inÂ Books > Arts & Photography > Graphic Design > Typography

Customer Reviews

I'm an Adobe Certified Instructor for InDesign, and I really like this book. It is clear, gives you correct

information and Sandee Cohen has been writing this book for many years, updating it for the new features. She knows her stuff and this book is no exception. This is a great topic based book, it wont take you thru step by step to create a project, rather it answers your questions you might have along the way.I've been purchasing these books since version 2.0!

Great starter book. Sort of an overview with a few nuts and bolts included. Sandee knows her stuff. She explains it well and simply.
