Collectible Rabbits

Synopsis

This fun book brings together a wide variety of rabbit figures, both antique and modern, which can be enjoyed and collected today. Rabbits from the 1800s to the present appear through hundreds of beautiful color photographs in forms from candy containers to stuffed toys, and are made of paper, cast iron, wood, glass paper mache, ceramics, and plastics. These rabbits represent diverse international origins including Germany, America, France, England, and the Orient. Many private collectors and dealers opened their hutches to share these rabbits with other bunny fanciers.
