Customer Reviews

This book is a duplicate of the first chapter of another book offered by , The Complete Book of Wreaths: 200 Delightful & Creative Designs. Do not make the same mistake I did and order both books!

I wasn't thrilled with this book. While some of the wreaths are beautiful, there are no step-by-step instructions. I purchased the book not to make exact replicas of what's in it, but to apply some of the ideas to my own style, and without any instruction or basic suggestions as to where to purchase materials or even what to purchase, this book doesn't make it easy.

THIS IS ONE OF 4 BOOKS I PURCHASED TO LEARN TO MAKE WREATHS. EACH BOOK HAD SOMETHING VERY SPECIAL OF IT'S OWN TO HELP IN THE PROCESS...THIS BOOK WAS GREAT BECAUSE IT USED DIFFERENT MATERIALS THAN ALL THE OTHERS, EACH BOOK OFFERS THAT BUT THE MORE VARIETY OF USUABLE UNUSUAL MATERIALS, THE BETTER!!

Great book, very detailed, easy to follow. The pictures are very bright and colorful and give great detail to help you with ideas.

the book was what they describe and they got the package in the mail very quick also their price was very good
