The Gluten Free Geek's No Tricks Just Treats: Gluten-Free Goodies For Your Halloween Happenings (The Gluten-Free Geek's Guides)

Synopsis

As anyone who has embarked on a gluten-free life knows well, the holiday season is often one of the more challenging times of the year. At our house, the holiday season starts in October because we love Halloween. But when you are living a gluten-free life, the scariest thing about Halloween can be navigating through a minefield of food you can't eat. I put this book together to help you take back Halloween! With the recipes in this book you can fill any Halloween celebration with gluten-free goodies that are as fun to look at as they are delicious to eat. This book includes:

- A range of appetizers suitable for the scariest Haunted House
- Ideas for main meals that will get you in the mood for monsters
- An array of devilish desserts people won't even realize are gluten-free
- Cookies, cupcakes, and cake pops that are perfect for little ghosts and ghouls
- Enough Halloween-themed recipes to cover all your parties and celebrations this year

With this book as your guide, you can unleash your creativity and know that no matter where you go a-haunting, you will have Halloween treats that your family can eat.
