Uninvited Study Guide: Living Loved When You Feel Less Than, Left Out, and Lonely

Synopsis

GOD WANTS US TO LIVE LOVED WHEN WE FEEL LEFT OUT, LONELY, AND LESS THAN. In this six-session video Bible study, Lysa TerKeurst digs deep into God's Word to help you explore the roots of rejection, the way other relationships get tainted because of a past rejection, and the truth about what it looks like to live loved. With biblical depth, gut-honest vulnerability, and refreshing wit, Lysa will take you on a visual journey in the Holy Land to some of the places where people of the Bible such as Hannah, David, and even Jesus lived and walked. Lysa will help you and your group to enter a place of healing and new perspective, as well as a time for you to go to new places with Jesus and experience him like never before. *Uninvited* reminds us we are destined for a love that can never be diminished, tarnished, shaken, or taken—a love that does not reject or uninvite. This study guide is packed with deep Bible teaching and includes guided video notes, group discussion questions, and between-sessions personal studies. Session Titles: 1: Living Loved 2: Empty or Full? 3: The Yoke of God Is Freedom 4: Set Apart 5: Remembering God's Presence 6: Lessons from the Olive 7: Bonus Session: Review and Celebration (No video) Designed to be used with the UNINVITED DVD STUDY 9781400205981

I am a Licensed Marriage and Family therapist and I work with a lot of Christian women. THIS IS THE VERY BEST BOOK I've seen in awhile that I can use to help clients emerge out of the huge amounts of rejection women endure from their childhood and beyond. Great great job! A must read for ALL Christian women...I just need a version for men when you get time to produce one!

Lysa TerKeurst never disappoints!! This book is a must have in your library. Everyone at one point or time has felt rejection at some point. This book gives you insight in how to overcome and heal those past rejections.

This book is exactly what I needed! I have always struggled with my life honestly, sick all the time, a father that was never there, alcohol, smoking when I was younger, the wrong friends, feeling ugly (all the time). This book that Lysa written is a soul grabber , at least for me it was! I have started weeding my friend garden as I call it, Trying to look at myself and say I am beautiful at any stage of my life, but boy is that HARD! Something I started has been then knowing what to play about , and pray for ten days to help someone steady their soul, and to also restore their confidence, trust me it is harder than it sounds especially if you yourself have confidence issues. I have always felt "ALONE" because I am different from everyone. When I was a kid I was treated poorly, young adult my work boss treated me poorly, my father always treated me poorly, and my husband has admitted he could treat me better but doesn't. Where I am going with this is it is hard to feel good about yourself when no one in your life has ever treated half way decent, and to feel like you BELONG. I am now working on my FEARS, INSECURITIES, and trying to see I am suppose to belong, and that I am someone who is set apart from others, not someone who has been set aside. Another BIG one for me is to understand that not everything is my fault and to not blow small things into BIG things, that i going to be a tough one to concur lol. So everyone, this book is a soul grabber, you will connect with this book! I am going to be buying a copy for my mom, my sister, and I might even gift a few ladies I know that could use this book too.

i did receive the study guide however I was disappointed that it did not contain the DVD the study guide itself doesn't do much good without the DVD for a personal bible study but would be great for a group study. I now have to try and find the DVD

This study guide looks great, but once looking through the book, it's more for groups than individuals. She has a lot of great info, but I will be returning this book, due to I will be doing the study at home with Proverbs 31.
