Customer Reviews

This is an outstanding book on Christmas Tree Pins. It is a comprehensive book covering many of the lesser known as well as those major manufacturers and designers we all recognize. The photos and "paper stock" are excellent--a quality publication. I bought this book along with "Christmas Pins, Past & Present and enjoy them both, but if you can only have one, this is it.

This book is an absolute must have for collectors - great photographs of pins, informative, easy to read. Just loved it!

Bought this for my Mom. We are wearing this book out. A great reference for Christmas Tree pins.

Very easy to follow and beautiful descriptions and pictures. Easily denotes the artist and manufacturer. I enjoyed every page of this book.

This book was great for every thing we were looking for. We will use it for many years to come.
