# Tomart's 5th Edition Disneyana Guide To Pin Trading

## Synopsis

Editorial Reviews Product Description The 6th Edition of Tomart's DISNEYANA Guide to Pin Trading( although the one listed here is for the 5th edition) is the first new edition in over two years, and contains many additions and changes. But don't get rid of your Fifth or earlier editions. Many pins will not be repeated. Foreign pins and Disney Auction/Shopping pins have been eliminated to concentrate on US Disney theme parks, Disney Cruise Line, New York World of Disney and other operations. New issue pins for eliminated categories will still be covered in Tomart's DISNEYANA Update magazine, but will not appear in our traditional guide. Values have also been revised to reflect the current market. --This text refers to the Perfect Paperback edition.

## Customer Reviews

I like the book as a reference guide. It is a bit overwhelming since it does contain so many of the pins available. Unfortunately what I do not like about it is the fact that if you have a pin and you are trying to find it in the book, it is difficult. There is no index that would list each page one character would be found on.

I have enjoyed located and rating my Disney Pins. The only problem I had was locating pins. The book needs to have more specific subsections. This will help you locate the pin you are looking. Overall I enjoyed using this tool to determine what ranking my Disney pins were.

This document is a comprehensive display of Disney pins. I don't know of another book that is as complete. offered the best price and provided prompt delivery
