Customer Reviews

It's ok, you don't have to pay for this though, you can just go to their YouTube channel and they have all of the tutorials for free <https://www.youtube.com/user/crocheteverafter/videos>. I wish I knew this before I purchased it.

Just too basic. Nothing out of the ordinary. Glad I did not have to pay for it. The turtle is the only great pattern .

I'm pretty new at it so it ticked a few boxes.

Lots of easy fun projects to crochet easy to follow directions. Filled with projects for the young to the older especially impressed with the pattern for cancer patients beanie

I probably could have figured out how to crochet a turtle myself. But free is okay and if your a beginner it just might work for you!

Lots of fun and really cute things to make

Their typical small kinda useless patterns... :/ the only cute thing is the turtle on the cover and the starfish wash cloth.

It is not bad for a beginner book. Some of the patterns I already have. But, thank you for the chance to see the book.
