## Customer Reviews

This is a fun story of a little girl mouse, Wemberly, given one popsicle and worried that she will make a mess if it drips on her dress and also that there isn't a second popsicle for her stuffed animal. So she waits patiently, and problem solves by letting it melt equally into two bowls then sharing it with Petal (the stuffed animal). My 22 month old daughter loves this book and all the other Kevin Henkes board books. We read them repeatedly throughout the day.

Didn't realize it was a board book, but it does work in the library.

Always love Kevin Henkes' books. This one didn't disappoint me.

Great story the kids loved it!

Love Kevin H books
