Your Future Reflection: How To Leave A Legacy Beyond Money

Synopsis

Decades of extensive wealth planning and life coaching experience has made Guy Hatcher the man of 10,000 kitchen-table conversations. He has had conversations with people who, after spending a lifetime building businesses, portfolios and families now wrestle with deep questions about what will remain after they're gone. These are vital questions about legacy. So what about your legacy? What, beyond some assets, will you leave behind? One of America's most trusted life and wealth advisors has poured his accumulated wisdom between the covers of this brand-new book. In *Your Future Reflection*, Guy brings you proven insights and a step-by-step roadmap for: passing your core values on to future generations, establishing your family brand, the power of the blessing "how to receive it and give it," clarifying your vision, establishing a Family Life Plan, and much more.

Customer Reviews

Clearly written, somewhat radical approach to a significant issue- stewardship and living a legacy. I haven't finished the book yet, though because I felt guilty for not wanting to pick up my tent and move.

It would be interesting to hear his perspective on creating a legacy when distance is an issue.

This book is a must read for any adult.....whether you are looking ahead and want to plan well, or whether you are at a point where you are preparing your legacy it is filled with wonderful, insightful, anecdotal guidance that is well written and is a pleasure to read. Guy's intellect and wit, along with his incredible insight into legacy planning gives the book life and his knowledge of scripture backs up the premises in the book. It flows smoothly and is a pleasure.....a lot like having a meaningful encounter with a sage uncle or other person you respect and would turn to for advice in matters of great significance.

This is a terrific book for anyone or any family who has thought about the impact they will have on future generations. The process laid out by Guy starts as all great journeyâ™s do, it begins by asking why. Not just why it is important to your future generations but why it is important for you. Guyâ™s thoughtful approach starts with Godâ™s call to Abraham and asks penetrating questions seeking to get to what is at the core of each of us as individuals and families. This is an easy to read, relaxed style book for those of us who have wondered what they can do today to influence others in the future by providing a clear and thoughtful roadmap.
