# An Incomplete Book Of Awesome Things

## Synopsis

A celebration some of the worldâ ™s most universally awesome (but perhaps overlooked) things: masking tape, tunnels, lava, argyle, elbows, and more. The incomplete compilation -- featuring beautifully minimal, vibrant illustrations -- was designed to boost kidsâ ™ vocabulary, share giggles, and spark conversations. You decide whatâ ™s awesome and whatâ ™s not â " mauve? kiwis? snakes? â " and come up with your own additions to the never finished list.

## Book Information

## Customer Reviews

My daughter loves loves this book! She points and giggles all the way through.

Beautifully designed and so simple. I love Children's books that delight children as much as adults and this one does just that.

The book itself is adorable! The only issue I have is that it's listed as a hardcover but it is actually a board book.
