Me And Fat Glenda (Fat Glenda Series)

Synopsis

She's fat. She's loud-mouthed. She's pushy. She's opinionated. She's prejudiced. She has a "creative" way with the truth. She is madly in love with your sixteen-year-old brother. All the other kids in seventh-grade hate her and she hates them. Her mother has a petition going to try to force your family out of the neighborhood. . . . And she's your best friend! There's no one like Fat Glenda. In Lila Perl's 1972 comedy, while Sara has to cope with her family's unorthodox ways and the town's prejudice against them, it's her new friend Glenda who Sara has to really watch out for. For Glenda has a secret, and everyone in town knows it . . . but Sara!

Lila Perl has published over sixty volumes of fiction and nonfiction for young readers. In addition to the successful Fat Glenda series, Perl has twice received American Library Association Notable awards for nonfiction and is the recipient of the Sidney Taylor Award for *Four Perfect Pebbles: A Holocaust Story*.

Book Information

Series: Fat Glenda Series

Age Range: 9 and up

Grade Level: 3 and up

Customer Reviews

This was by far my most cherished childhood book (I read it well over 100 times). It's a story that I found invaluable while negotiating the process of growing up feeling "different". The overall series was fantastic, but this particular book really inspired me as a child.

I also recommend every teenager read "Hey Remember Fat Glenda." The story was crazy, but very real and something that teens can relate to and/or escape to for fun. One of the things that stuck out in the book for me was the girls' never ending "Alphabet burger" creations. This book was the best. It was inspiring and remained in the back of my mind all of these years. I am in my thirties and probably read this book at around 10 or 11 years old.

The book "Hey Remember Fat Glenda" was a perfect example on growing up different. The book was very real and thoroughly enjoyable. The characters are very lovable, and the plot and the setting were ideal. I recommend this book to every teenager, male or female. It gives you a different outlook on the way we treat certain people that are different from us. In conclusion I would like to state that Lila Perl was truly remarkable with this creation of this book.
