Customer Reviews

Who doesn't love all things Christmas? This book is so festive. It features 30 one sided images in a large format that makes them easy to color. I've have already enjoyed a few nights of coloring alongside a hot cup of cocoa. This was my first adult coloring book purchase and I think I'm hooked!

Things I Liked: full of festive images, great variety of illustration styles and detail, printed one image per page so you don't mess up another image (although, I recommend using a sheet in between if you are using anything other than color pencils), high quality printing/images, good book size, easy to open and flip through, not perforated, but still easy to get pages out, great price, and available through Prime. Overall, this is a great coloring book. If you are looking for Christmas adult coloring book to get your holiday season started, I think this is a great choice.

I got this one as a package with the other 2 books from the "ADULT WHO COLOR" collection (Henna Art and mandala). They are all awesome. I got hours of coloring at my disposition. very good quality and very reasonable price! Merry Christmas to me ! Cant wait for more books form this This is a really cute Christmas coloring book. The Mandalas are very festive. Just enough detail to be relaxing. Looking forward to coloring in it closer to Christmas. A nice addition to my Christmas coloring book collection.
