Customer Reviews

I downloaded this book because I love Indian food but have never cooked it at home. While I haven't tried any of the recipes yet, a quick glance through the book encouraged me to give it a try. There is a helpful introduction and each recipe is well organized - plus each includes a photo. This was especially helpful as I know what dishes I've enjoyed at restaurants but not necessarily the name of the dish. I was thrilled to find a recipe for Chicken Tikka Masala, which is first on my list to try. This looks like an easy to use cookbook and worth reading.

Love this book. I love Indian food and am always looking for new recipes. This book has quick, easy

and delicious recipes. Get addition to my recipe collection.!

Finally -- now we can make pakoras!
