Customer Reviews

If you read the first part of the title of this book you will think this book is mainly about 4th of July. In fact it only has a few pages about 4th of July and the rest of the book is about fun facts about America. The Declaration of Independence is briefly mentioned and then the book goes on to discuss Buzz Aldrin, tornadoes, cowboys, New York City, hamburgers, baseball, The Statue of Liberty, The American Flag, the bald eagle, the President, the Grand Canyon, the Gold Rush, the Great Depression and the Pledge of Allegiance. So kids will really enjoy this book because it has a ton of cool facts and explanations. However if you are looking for an in depth discussion about the

4th of July you will only find a few facts.~The Rebecca Review
