Long time MUNSTERS FAN! This show was such a huge inspiration on my TOXICTOONS monster art, that I even got 1313 tattooed on my index fingers so when I put them together it reads the address 1313. A must have book for any MUNSTERS FAN, lots of great pics and fun read too!

A true fan oriented overview of what the television series The Munster's meant to boys and girls, men and women alike, growing up with the Munster's and how it has affected their lives and touched their hearts. Outstanding job by both Butch and the writers to communicate with fans and show appreciation for their loyal following.

Great book for any fan of the Munsters tv show! Beautiful photos and interesting anecdotes - a wonderful coffee table book!

My daughter is a big fan of the Munster tv show and movies. She loves this book.
